

Practice Strategy Handout 1.1a: Module 1A

Scenario 1

In pairs, share a significant moment when you connected with a child.

- What made it special for you?
- What made it special for the child?
- Why do you think you recognized this as an important moment?
- How did it make you feel about your work as an early childhood educator?

Scenario 2

In pairs, share a significant moment when you connected with a colleague.

- What made it special for you?
- What made it special for your co-worker?
- Why do you think you recognized this as an important moment?
- How did it make you feel about your work as an early childhood educator?

Scenario 3

In pairs, share a significant moment when you connected with a child's family.

- What made it special for you?
- What made it special for that parent/family?
- Why do you think you recognized this as an important moment?
- How did it make you feel about your work as an early childhood educator?
